Independent Accountant's Report

Audit Committee and Management
Anchorage Digital Bank, National Association

We have examined management of Anchorage Digital Bank, National Association's (the "Company") assertion that the accompanying USAT Reserve Report is prepared in accordance with the criteria set forth therein as of January 31, 2026, at 11:59:59 PM Coordinated Universal Time (the "Report Date"). The Company's management is responsible for its assertion. Our responsibility is to express an opinion on management's assertion based on our examination.

Our examination was conducted in accordance with attestation standards established by the American Institute of Certified Public Accountants (AICPA). Those standards require that we plan and perform the examination to obtain reasonable assurance about whether management's assertion is fairly stated, in all material respects. An examination involves performing procedures to obtain evidence about management's assertion. The nature, timing, and extent of the procedures selected depend on our judgment, including an assessment of the risks of material misstatement of management's assertion, whether due to fraud or error. We believe that the evidence we obtained is sufficient and appropriate to provide a reasonable basis for our opinion.

We are required to be independent and to meet our other ethical responsibilities in accordance with relevant ethical requirements relating to the engagement.

Our examination was not performed to determine whether the Company complied with federal, state or local laws or regulations, or with contractual obligations to its customers, or to evaluate the suitability of design or operating effectiveness of controls, and, accordingly, we do not express an opinion thereon.

In our opinion, management's assertion that the USAT Reserve Report is prepared in accordance with the criteria set forth therein as of the Report Date is fairly stated, in all material respects.

Management's Assertion and the USAT Reserve Report

Management's Assertion

Anchorage Digital Bank, National Association ("Anchorage" or "the Company") is a federally chartered national trust bank and qualified custodian with fiduciary powers regulated by the Office of the Comptroller of the Currency. Anchorage is the issuer of the USAT stablecoin ("USAT").

Management of Anchorage is responsible for the accuracy, completeness and validity of the USAT Reserve Report ("the Report") as of January 31, 2026 at 11:59:59pm Coordinated Universal Time (the "Report Date").

Management of Anchorage asserts that the Report has been prepared in accordance with the American Institute of Certified Public Accountants (AICPA) "2025 Criteria for Stablecoin Reporting: Specific to Asset-Backed Fiat-Pegged Tokens" ("the AICPA Criteria") as of the Report Date. This includes:

- The total USAT Stablecoin ("USAT") natively minted tokens and total USAT redeemable tokens outstanding (Schedule I), the composition of reserve assets by asset type (Schedule II), and the comparison of the two (Schedule III).
- The total reserve assets described in Schedule II that are equal to or greater than USAT redeemable tokens outstanding described in Schedule I, as presented in Schedule III.

USAT Reserve Report

The following summarizes the total USAT redeemable tokens outstanding and total reserve assets as of the Report Date, which are disclosed in Schedules I and II.

Total USAT redeemable tokens outstanding (Schedule I)	17,501,391

Schedule I: Total USAT Natively Minted Tokens and Total USAT Redeemable Tokens Outstanding

The following table summarizes the types of USAT tokens:

	USAT Tokens (in quantity of tokens)	Blockchain Ethereumⁱⁱⁱ
a.	Total USAT natively minted tokens	20,002,050
b.	Total USAT natively minted but not issued tokensⁱ	2,500,659
c.	Total USAT issued tokens	17,501,391
d.	Less temporary USAT nonredeemable tokens	
	Temporarily access-restricted	N/A
	Time-locked	N/A
e.	Less permanent USAT nonredeemable tokens	N/A
	Permanently access-restricted	N/A
	Total USAT nonredeemable tokensⁱⁱ	N/A
f.	Total USAT redeemable tokens outstanding	17,501,391
i	USAT natively minted but not issued tokens are defined as tokens that exist on the Ethereum blockchain and are not currently issued to a USAT holder. They are required due to the technical implementation of USAT on Ethereum blockchain.	
ii	All USAT issued tokens are redeemable. There are no temporary or permanent USAT nonredeemable tokens.	
iii	Blockchain Ethereum refers to the smart contract running on Ethereum at 0x07041776f5007aca2a54844f50503a18a72a8b68.	
NOTE: Refer to the terms the Company maintains related to USAT token purchases and redemptions and the definitions of purchase and redemption rights (including which holders have such rights)		

The tokens included in this Schedule I incorporate the USAT redeemable tokens of Anchorage Digital Bank, National Association. The USAT token is a cryptographic token, which allows financial market participants to transact in a crypto asset that has been strictly pegged 1:1 to the U.S. dollar by the Company.

Schedule II: Composition of Reserve Assets by Asset Type

The following table summarizes reserve assets by asset type in United States Dollar (USD):

Cash	\$3,654,716
Reverse repurchase agreements collateralized by U.S. Treasury securities, at fair value	\$13,950,000
Total	\$17,604,716

The reserve assets included in this Schedule II relate to the reserve assets supporting the USAT redeemable tokens reported in Schedule I.

The Company maintains the reserve assets in segregated fiduciary trust accounts that are unencumbered and held for the benefit of USAT token holders in one or more of the following forms: (i) fiat currency held in Federal Deposit Insurance Corporation (FDIC)-insured bank accounts and Securities Investor Protection Corporation (SIPC)-insured brokerage accounts; (ii) reverse repurchase agreements held in SIPC-insured brokerage accounts.

1. Cash

Cash is held at major commercial banks and financial institutions. The cash held at major commercial banks and financial institutions may at times exceed the FDIC limit of \$250,000ⁱ, and SIPC limit of \$250,000ⁱⁱ. The following table summarizes cash by type of account, regulatory agency, and geographic location.

Type of Account	Regulatory Agency	Geographic Location	Balance
Demand deposit accounts at FDIC-insured depository institutions, held directly	U.S. federal banking agencies	United States	\$1,851,392
Cash account at SIPC-insured broker-dealer ⁱⁱⁱ	Financial Industry Regulatory Authority (FINRA), Securities and Exchange Commission (SEC)	United States	\$1,803,324
Total			\$3,654,716

i. As of January 31, 2026, uninsured FDIC demand deposits at major commercial banks totaled \$1,601,392

ii. As of January 31, 2026, uninsured SIPC demand deposits at major financial institutions totaled \$1,553,324

iii. Reflects cash held by the Company (as trustee) through a broker-dealer registered with the Securities and Exchange Commission (SEC) in one or more customer reserve accounts maintained pursuant to SEC Rule 15c3-3.

2. Reverse Repurchase Agreements

Reverse repurchase agreements are agreements with selected commercial banks and broker-dealers, under which the Company acquires securities as collateral (debt obligation) subject to an obligation of the counterparty to repurchase and the Company to resell the securities (obligation) at an agreed-upon time and price. The Company, through a custodian or a sub-custodian, receives delivery of the underlying securities collateralizing repurchase agreements. The following table summarizes the remaining contractual maturity of the agreements by counterparty at fair value.

Counterparty	Collateral	Coupon Rate	Purchase Date	Maturity Date	Par	At Fair Value
Broker-Dealer in the United States	U.S. Treasury securities	0.0%	1/30/2026	2/2/2026	\$13,950,000	\$13,950,000
Total						\$13,950,000

Schedule III: Comparison Between the Reserve Assets and the USAT Redeemable Tokens Outstanding

The following table summarizes the reserve assets and the USAT redeemable tokens outstanding:

Reserve assets, at fair value	\$17,604,716
Less: Amount of USAT redeemable tokens outstanding ⁱ	\$17,501,391
Subtotal prior to timing difference	\$103,325
Timing differences:	
USAT tokens purchased but not yet minted	-
USAT tokens redeemed but not yet paid	-
Subtotal prior to temporary difference	\$103,325
Temporary differences: ⁱⁱ	
USAT access-restricted tokens	N/A
USAT time-locked tokens	N/A
Surplus (Deficit) ⁱⁱⁱ	\$103,325
i. The amount of USAT redeemable tokens outstanding includes requests for purchases and redemptions that have not yet been processed due to timing differences, if any.	
ii. There are no temporary or permanent USAT nonredeemable tokens	
iii. The Company's terms stipulate that for each USAT redeemable token outstanding there is \$1 of available assets (or an equivalent USD denominated amount) for redemption. This surplus indicates that asset-backing levels are in accordance with the Company's terms	

The tokens and reserve assets included in this Schedule III relate to the USAT redeemable tokens reported in Schedule I and reserve assets reported in Schedule II.
